

Grand Knight Report  
May 14, 2019

Chaplin's Report:

Faith Sharing:

Is there anything that you are currently jealous of, or have been in the past? What are/were your feelings about it?

How do you handle it, or how have you handled it in the past?

## Prayer to Our Virgin Mother of Guadalupe

God our Loving Father, We lift up our hearts in gratitude for sending Our Virgin Mother of Guadalupe to set hearts on fire in the “New World” with the saving message of the Gospel.

She is our compassionate Mother and she desires to remedy our troubles, miseries and pain by bringing us into a saving friendship with her Son Jesus Christ.

We turn again with renewed confidence and outstretched arms to our Virgin Mother of Guadalupe to set our hearts on fire in our Diocese of Metuchen as we prepare to be consecrated to her maternal care.

Give to each one of us a desire to be a missionary disciple—so that the world may come to know the transformative love of Christ through us. Mother of the Americas and Star of the New Evangelization, Pray for us.

# New Business: Congratulations to our Knight of the Month of April 2019 – Charles Porbeni

Charles Porbeni has been very active in our council this winter and spring. In April, he supported our Easter Egg hunt by bagging and tagging candy bags and by setting out plastic eggs for collection. He also supported the collection for Intellectual disabilities at Bagel Street Grill. This is in addition to shuttling children to their events and working. Charles has been active in our council meetings and is welcoming of our new members. Charles lives out the Knights of Columbus principles.

# **Congratulations to our Family of the Month of April – The D'Souza Family**

Neil D'Souza is a member of council 12004. He and his wife are very active in ministry at Queenship of Mary Church. Both Neil and Premila are Eucharistic Ministers and support the Boy Scouts in the parish.

Neil was very helpful on the setup on the Knights of Columbus dinner and Mystery event.

They attend church together with their children when they are visiting.

Knights of Columbus  
**INSURANCE**  
YOUR SHIELD FOR LIFE

*"Changing lives, for good ... One member at a time."*

I'd like to start by asking a question...What's your biggest asset? Some of you may say it's your home. Others who own a business may say that's their biggest asset. There may be some who have saved well and put aside a substantial amount of money for retirement in a fund like an IRA or a 401K.

But I would suggest that your earning power is your most valuable asset. Consider this: a 35-year-old who makes \$50,000 a year will earn \$1.5 million dollars before retirement at age 65. That's quite a sum, but consider this: with only a 3% increase in pay each year, that figure grows to nearly 2.5 million dollars before retirement! But...you say, that's all well and good, what are the chances I'm going to become disabled and unable to work? According to United States government statistics a staggering 1 in 4, yes, 25%, of 20-year-olds will become disabled before reaching age 67. And according to the Social Security Administration, 95% of those disabilities happen outside the workplace...so worker's compensation will not pay.\*

Some companies generously give disability benefits to their employees. If you are one of those lucky ones...congratulations! Now the question is...how long are those benefits payable and how much of your income is covered and how much of that benefit is taxable? Seven of 10 Americans say they would feel a financial pinch in a month or less without their paycheck.\*\*

Fortunately, I can help sort out all these issues. The Knights of Columbus offers a flexible disability income insurance policy. It can be tailored to supplement what you currently have through work or it can stand alone to safeguard your paycheck and provide protection against catastrophe. I can help you design a plan with the right monthly benefit, the right benefit period and all the other variables that go into customizing a plan that is right for you and your family. And our policy pays benefits regardless of whether or not the disability is work related.

So what if your last paycheck was your last paycheck? Let's make sure that doesn't happen by scheduling a time meet and review your specific situation. I know the time will be well spent.
